

Naples Play n' Stay Vacation Checklist

Here is a handy checklist to use during your stay and last morning at the home. (This helps you avoid the sudden and unpleasant realization during your trip back home that you forgot to do something important.)

- Garbage and recycling pickup is on MONDAY and JUST garbage is on THURSDAY. Please place all trash (using the garbage bags provided) into dumpster cart and place cans and paper products in the recycling cart in the garage and take out to end of driveway on appropriate days.
- Internet code for router CISCO7142 is 0170967142.
- Appliance manuals are in folder in pantry closet.
- Check-out time is 10 a.m.
- Please place all USED sheets & pillow cases and towels on the bathroom floors, so our cleaner can quickly find all the linens that need to be washed. (She's a hard-working woman, so please let's not make her hunt for the laundry!)
- Be sure to wash all dishes – load and run dishwasher.
- Take kitchen garbage out to the dumpster cart in the garage.
- Turn off all lights and ceiling fans.
- Leave A/C thermostat at 80 degrees.
- Please sign our guestbook.
- Please depart by 10 a.m. so we can prepare for our next set of guests.
- Lock the doors, close and lock the windows, and leave the keys inside the lockbox.
- Have a safe journey home!
